WHO WE ARE

Welcome to Bhupendra Dorawala, your trusted partner in high-quality disposable food packaging and serving solutions. We specialize in a wide variety of plates, cups, containers, spoons, and packaging materials made from:

- Paper
- Biodegradable materials
- Plastic
- Aluminium

Whether you are looking for retail purchases or need wholesale supplies for your business or event, we're here to serve you with the best quality at competitive prices.

We also offer agricultural products like green netting and plastic sheets for farming and horticulture needs.

WHY CHOOSE US

Diverse Product Range

From eco-friendly to durable plastic and aluminium products - we stock it all.

Quality Assurance

Only the best quality materials that meet hygiene and safety standards.

Wholesale & Retail Options

Buy in bulk or small quantities - flexible options for everyone.

Affordable Pricing

Get the best value for your money, whether you're a small business or large caterer.

Convenience & Service

Local supply with quick delivery and customer-first service approach.
